Dear customer,

The law concerning the European Commission's Regulation (EC) No 1907/2006 (REACH – the registration, evaluation, authorization, and restriction of chemicals), which went into effect on June 1, 2007, aims to protect human health and the environment from possible risks due to chemicals.

Daimler Truck AG supports the goals of REACH. Article 33 of the legislation requires our company to inform its customers about "substances of very high concern" (SVHCs) that are contained in our products.

In fulfillment of these legal requirements, and taking into account the information provided by the suppliers of Daimler Truck AG, we have identified the following substances that may be present above a concentration of 0.1% (w/w) in the individual articles of this vehicle.
